Glen,

Sorry, for delayed reply.

I have just undergone major spinal surgery and hence the delay.

We were very happy with your companies services in all respects including – Price, response time, quality etc . We did receive the CD etc although I have not read the material as yet I am advised it is all in order by my staff members.

We would certainly recommend your business to others and would use your services again.

Best regards,

D.A Johnson

Hi Daniel

I rang this afternoon to check that you received your report all ok and to inquire about your commercial experience with Atma Environmental.

We like to check in with all our clients following a job to see if is any feedback.

Please let me know if there is any way you feel our service could be improved.

Regards,

Glenn Berry, *CEnvP*
